

Panelists Confirm Turkey's Destruction of Cyprus' Cultural, Religious Heritage

http://www.ahiworld.com/press_releases/2010_006.html

Dr. Prodromou, making her presentation as an academic, examined why religious freedom is often overlooked by the international community. She also explored how religious freedom is relevant to finding a solution to the Cyprus problem. Dr. Prodromou cited that Turkey is a signatory to a whole host of treaties intended to safeguard religious freedom, and that Turkey is a "systematic" and "egregious" violator those treaties. She also noted that the **U.S.**

Commission on International Freedom

recently added Turkey to its "watch list."
